

III ZUMAIACO SARIA (euskaldun)

Fecha : 26/02/11

Distancia : 112 Kms - Promed : 42.37 Kms/h.

La carrera de ayer fue un duelo entre los mejores velocistas vascos, en una prueba que se adapta perfectamente a sus características ya que era llana y en un circuito. De hecho, estuvo marcada por una fuga provocada por los guipuzcoanos del Bidelan Asier Maeztu y Unai Iparragirre. Rodaron muy fuerte y se mantuvieron en cabeza durante cien kilómetros, obligando a trabajar a destajo por detrás. Estuvieron a punto de tener éxito, pero el Cespa echó abajo la escapada y permitió la victoria de Leanizbarrutia. (foto y texto www.diariovasco.com)
